INTRODUCTION

HOW TO READ YOUR RELATIONSHIP COMPATIBILITY REPORT

When two people are involved in a relationship, they get to know each other more deeply over time. At first, everything is wonderful and friction is rare. Then, as time goes by, you get to know other sides of your partner and, undoubtedly, discover some personality traits you don't like, and other traits you appreciate. The more time you spend together, the more you get to know each other. But even if you consider your relationship almost perfect, you will certainly experience at least some areas of possible friction.

The purpose of this report is to point out the different personality traits you possess, and how compatible they are. This report will help you identify those properties that are, at least to some extent, not compatible, and suggest how to prevent them from damaging, or dominating, your relationship.

It is important to also keep in mind that you may have some qualities that, although positive, are not compatible, but that negative traits are almost always a cause for friction. Therefore, you may find that this Relationship Compatibility Report is at times more critical and perhaps somewhat harsh - unlike most readings of this kind. If you feel uncomfortable with that, remember that this report was designed to throw light on those aspects in your charts that need to be understood and recognized, because if they are not, they can do a lot more damage than a few critical remarks in a reading.

John and Jackie, you will probably encounter some texts such as: "The compatibility aspect in this area of the chart is already included in other parts of this report, offset by other conditions or redundant".

This is done in order to offer a perspective that is as well balanced and clear as possible, and repeating certain traits would place too much emphasis on them.

Master numbers are also handled somewhat different in a relationship compatibility report. They are reduced to their single digit values, because it is in the single digit's archetype that those personality traits are represented. If a number that appears in your chart is 11, 22, or 33, and the compatibility refers to the numbers 2, 4, and 6 respectively, this is not a typo but an indicator that the compatibility is based on the single-digit sum of your Master number.

You will also find that some numbers normally included in a personal numerology reading are not included in a relationship compatibility report. This is because the compatibility between two people is influenced much more strongly -- as much as

ninety-five percent -- by the core numbers, than by all the other numbers in the chart combined. In fact, the lesser numbers in the chart would only muddle the waters if analyzed in the context of a relationship compatibility report.

John and Jackie, I hope you will enjoy your Compatibility Report and, more importantly, I hope you will find this reading to be beneficial to your relationship.

LIFE PATH

If ever there was a moment of total transformation, it was the moment of your birth. In that instant, you stepped through a door in time into a new reality -- the reality of human life. The most important number in your numerology chart is based on the date of your birth, the moment when the curtain goes up in your life.

Even at that moment, you were a person with your own unique character, as unique as your DNA. Everything that is you existed in potential, much like a play that is about to begin. Your entire life exists as a potential that has been prepared for. John, you have ultimate freedom to do with your life as you like: To fulfill its potential completely, or to make some smaller version of yourself. It all depends upon your effort and commitment. You make the decisions to fulfill, to whatever extent, the potential life that exists within you. That is your choice. In this sense, the possible you is implicit during the moment of your birth.

The Life Path number gives us a broad outline of the opportunities, challenges, and lessons we will encounter in this lifetime. Your Life path is the road you are traveling. It reveals the opportunities and challenges you will face in life. Your Life Path number is the single most important information available in your Personality Chart!

John, your Life Path is 24/6

John, you possess great compassion and seek to be of service to others. You have concern for the weak and the downtrodden. You are a healer and a helper to others. You are capable of giving comfort to those in need and will frequently offer a shoulder for others to cry on.

Your task in life is to develop the tools necessary to be truly helpful to others, rather than to simply be a sympathetic ear. You must find the balance between help and interference. In the same way, you must learn the delicate art of the counselor who knows when to leave the struggle to others and when to avoid taking away the necessary experiences and lessons of life.

You are naturally balanced. Therefore, you are well equipped to support and ground others in times of trial.

It is in your nature to take on responsibility -- you often fill the void left by others

-- and do not turn away from personal sacrifice. At times, you may feel overburdened by the travails of others. However, the love others bestow upon you is your well deserved reward.

John, you try to maintain harmony within the family or group, balancing and fusing divergent forces. You seek marriage and are often a wonderful parent, offering warmth, protection, and understanding to children.

You are generous, kind, and attractive. You are often admired even adored which baffles you. You are humble and yet you carry a deep pride. You move well and gracefully, but will have to work to stay in shape. Seek out physical exercise and limit the sweets and dairy you crave to keep yourself from becoming plump and round.

When young, you must be careful not to choose partners for the wrong reasons. Do not let sentimentality influence your decision, especially those involving the choice of a spouse. You need to be needed, but must learn to discriminate between those you can help and others who are made weaker by your care.

After all, it is in your nature to be attracted to the weaker brothers and sisters among us.

The temptation, and the danger for you, is to think of yourself as the savior of the world, carrying the burdens of others on your shoulders.

John, you are blessed with musical talent, as well as in the visual and performing arts. However, your creativity may well be suppressed due to your willingness to sacrifice, or your inability to fully appreciate your talents. This is not to say that you cannot excel in these areas; on the contrary, you have the talent, and with effort you can make a success in a number of artistic fields.

You also have enormous talent in business. You are blessed with a great deal of charm and charisma, which you use effectively to attract the people and support you need.

Jackie, your Life Path is 36/9

Jackie, you are the philanthropist, humanitarian, socially conscious, and are deeply concerned about the state of the world. You have great compassion and idealism. You are a utopian, and will spend your life trying to realize some aspect of your utopian dream, sacrificing money, time, and energy for a better world. It is in giving that you will find much satisfaction.

You have a broad outlook on life. You tend to see the big picture, rather than the minute details. You naturally attract people from all walks of life who can fit into your larger plans and take over the areas you find uninteresting. The person with a 9 Life Path is rarely prejudiced or accepts social biases of people. Instead, they evaluate people on the basis of what they can do for the larger cause. They are the true egalitarian.

Jackie, you are imaginative and creative, especially at harmoniously arranging the beauty already potential in the environment. These abilities can lead you into such fields as interior decorating, landscape art, and photography. But because of your strong social consciousness, you can be an effective politician, lawyer, judge, minister, teacher, healer, and environmentalist. Vocations that require self-sacrifice and have a clear social impact are common among 9s.

You are often disappointed by the realities of life: the shortcomings of others, or of yourself. Somehow, you don't want to accept the imperfections of the world, a feeling that drives you constantly to try to improve upon it. But rather than be satisfied with your efforts, and those of others, you relentlessly push on, striving for greater accomplishments. You are often unsatisfied with the results. In short, you lack the perspective that would otherwise make it possible for you to enjoy life more fully, and accept its natural limitations.

You have a controlled enthusiasm and the ability to finish what you start.

A key to your personality is the necessity of sacrifice. You have to learn to let go of material possessions and relationships, the inherent lesson being that holding on too tightly to anything causes pain.

Money comes to you through mysterious or unexpected ways: inheritance; the benevolence of someone who was inspired by your work; or a lucky investment.

Conversely, if you pursue money for its own sake, after giving up on your larger dreams, you're likely to find yourself empty handed.

The most successful and satisfying road for a nine is giving; sharing and sacrificing for a larger goal, without expecting anything in return. Jackie, your greatest chance at success is to tie your personal fortunes to an endeavor that makes the world a better place for others. Very often, this turns into a highly successful and lucrative enterprise, providing amply for you and your family. Your life rests on the axiom that the more you give, the bigger your reward.

You are romantic, but your love is more impersonal. You tend to be focused on your dreams.

When you are not in harmony with your true nature, you can fall to moodiness, or become aloof, and withdrawn. You can become timid, uncertain, and ungrateful, putting the blame for your troubles on others or the world. You have a gift for examining your life objectively, and at some distance. Be honest with yourself. By openly facing your shortcomings, as well as your strengths, you develop equilibrium. You are thus able to love and better understand yourself and all of life.

Your Life Path's compatibility is 6 and 9

John and Jackie, your Life Path numbers are the most important numbers in your charts, and, as such, their compatibility is very important to the well-being of your relationship.

John and Jackie, all numbers dividable by three have several things in common. First and foremost, all these numbers respond to the physical, emotional and spiritual needs of others. In the case of a six, this is expressed mainly towards those in the immediate circle: family and friends. In the case of the nine, it is directed more towards people at large - pretty much all of mankind. When a six and a nine are found between romantic partners in this part of the chart, compatibility is very good. Both of you, John and Jackie, are self-sacrificing, giving and caring people. John is more practical, Jackie more idealistic, but your motivations are similar. Another aspect you have in common is your creativity and your eye for beauty, which, contrary to what might be expected, is pretty often a source of trouble for the six-and-nine combination. John and Jackie, sometimes you will see eye to eye when it comes to decorating, but often you won't. And since you are both opinionated in this matter, in order to prevent unnecessary arguments, what you should do is give and take a little, something you are both quite capable of doing. Another talent or trait you share is a sense of justice. The six and the nine are both strongly affected by a sense of right and wrong that can be very powerful - sometimes to the extent that they get involved in politics or become activists. Unless you happen to be on opposite ends of the political spectrum, this trait can further strengthen your bond.

The six and the nine, John and Jackie, are highly compatible. However, there are some areas where you may find yourself clashing if certain negative traits are allowed to grow. Although this is not common, a warning might be in place. The nine, Jackie, with its idealistic and self-sacrificing nature, can also be arrogant and self-righteous. Recognizing the relative value of one's concepts and ideas is not a strong point with the nine. Jackie, with your innate sense of justice, you may have recognized a tendency in yourself to put down those who don't see things the same way as you do. Especially when combined with strong religious dogmas, the nine can become a negative influence on others, sometimes ruining a relationship - even with the most devoted partner. If you have found yourself in that corner, Jackie, you would do well to realize that what we believe and what we think, is just that, a thought, a concept, the truth as we see it. Always keep in mind that our perspective, no matter how enlightened, is still limited. Knowing that, we will be able to be compassionate and tolerant towards others. The nine, as you have read in the previous chapters, is the least prejudiced of all numbers, but as with all human traits, its dark side tends to be the direct opposite of the light side.

Although the most loving of all numbers, John's six has a dark side as well, and a dark side that can be nasty indeed. The six can become intolerant and angry, often without a clear cause. The irritation and anger seem just to sit there, inside,

waiting for an opportunity to break out, without rhyme or reason.

John and Jackie, the negative sides of either the six or the nine are rarely displayed, but you will need to watch out for them in order to prevent them from spoiling what is most certainly one of the best number combinations around.

EXPRESSION

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number reveals your inner goal, the person you aim to be.

The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and the numbers derived from it, reveals your development, as well as the talents and issues you will be working with during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your personality. By reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

John, your Expression is 9

John, you are the humanitarian. You are attracted to a cause or a movement whose purpose is to make a better world. You are extremely idealistic, sometimes to the point of being naive about people or methods. You have great compassion and seek to create a more humane society. You are drawn to those who suffer physically or are at the hand of injustice. You are the righter of wrongs. Your deepest intention is to transform the world.

You are willing to sacrifice in order to advance your cause. Indeed, this seems to be a theme in your life. From time to time, you find yourself involved in a project whose very life depends upon your willingness to sacrifice something that relates directly to your ego.

You are highly idealistic. You are also a visionary, with the ability to influence and direct the masses. Deep inside, you long for the love and approval of the

many, and seek fame.

Part of your hunger for fame has to do with your need for validation; you are your own harshest critic.

John, you realize your greatest satisfaction when you are involved in some activity that directly benefits the public good. Politics, law, protection of the environment, teaching, and healing are areas in which you would succeed.

You have a broad view of humanity and are not shackled with prejudice. You should have friends and associates from all walks of life, all colors and religious backgrounds. People fascinate and enrich you. A wide diversity of people and experiences stimulate and bring forth qualities within you that would otherwise lay dormant.

You have an abundance of artistic talent. Many with your Expression number find themselves in the arts, especially in literature, painting, and the visual and performing arts.

The number 9 indicates the completion of a cycle or a block of learning. The 9 Expression suggests that you have reached the point where a breakthrough can occur; during this lifetime you can apply all that you have learned along your evolutionary path and complete a major stage in your development. This is why we find many geniuses with the 9 Expression.

You have the ability to synthesize many diverse bits of knowledge into a unified whole.

John, your appearance is important. You are keenly aware of how others perceive you. As a result, others see you as a person with a great deal of control. Conversely, you are charismatic. Despite the cool and distant personality you project, people are attracted to you.

You tend to express your love somewhat impersonally. You tend to be preoccupied with your vision or cause, and sometimes overlook the needs of those closest to you. You need to be reminded to give your love more personally and more openly. Ironically, you are a very loving and sincere person, but often neglect to express what you truly feel.

In the same way, you can overlook your own needs. You can avoid sharing of your deeper feelings, creating a reservoir of emotion. You tend to postpone your personal satisfaction in favor of some larger work. Try to be more spontaneous and courageous about showing your real self, including your vulnerability.

Your basic belief in the goodness of humanity is unshakable. This causes you to encourage the best in people, but occasionally makes you vulnerable to being taken advantage of. You are not a very good judge of character.

The surest way to personal satisfaction is for you to become part of some larger social cause. Your nature is to serve. You are happiest when you feel you are helping to advance the human race.

Jackie, your Expression is 29/2

Jackie, yours is the most highly charged Expression number of all. You are like a lightning rod, attracting powerful ideas, intuitions, and even psychic information like unpredictable bolts.

You are a powerful presence without any awareness on your part of having personal power. You are a channel for higher vibrations. But in order to be emotionally and psychologically at peace, you must learn to control that flow of energy. You possess a bridge between the unconscious and the conscious. The trouble is that the unconscious is an infinite resource, while consciousness by definition is a limited arena. The two are therefore at odds until they can learn to live in harmony with each other. This is where control comes in. Until you are able to control the flow of energy from this infinite source, you may feel like a victim of its whimsy, thrown about by emotional turmoil and nervous tensions.

Jackie, you have always sensed that you are different, but it was an indefinable feeling. You are enormously sensitive and aware, especially as a child. This made you vulnerable to all conflicts and painful situations. For most of your upbringing, however, you did not realize that other people did not possess the same sensitivity, nor did they see the same things you were seeing. This caused a great reservoir of emotion that was dammed up behind an inability to express your feelings, even to yourself. For this reason, most 11 Expressions have a difficult childhood. Your extreme sensitivity made you very shy as a child. This usually manifests in adulthood as hesitation and acute vulnerability. You are very careful about sharing your feelings with others and choosing your friends.

You compensated for your sense of separation in childhood by creating an elaborate fantasy world. You daydreamed more than other children. You have a lively imagination and even in adulthood have a hard time separating reality from fantasy.

Jackie, your challenge is to bring forth your primitive, earthy strength. You need to be grounded in order to deal with your lightning bolts. The more you are able to call upon your inherent human strength, the greater your capacity to take advantage of your extremely sensitive awareness. Once this is accomplished, your antagonist becomes your benefactor.

You are highly emotional and dependent upon relationships. Emotionally, you go up and down with the fortunes of your love life.

You are idealistic, impractical, and at times disorderly. You are often unrealistic in your expectations.

Your reasons for doing things are usually born of a mixture of logic, emotion, and intuition, which can rarely be explained satisfactorily to your more rational associates.

The 11 Expression is the number most dependent upon other core numbers in your chart for insight into your vocation. The 11 charges every area it enters, but it needs a grounding vocation and discipline to be effective.

A balanced 11 is one of the most unique and impressive of all people. It is gifted with insight and illumination, which it can transmit to others. This makes you a natural teacher in whatever area you enter.

Your Expression's compatibility is 9 and 2

More than any other number in your chart, your Expression number reflects who you are as a person. Earlier, you read about the Life Path number and how important that number is in your chart. However, the Life Path number reflects "the path you walk on," and should be seen more as a powerful influence than as a part of your personality makeup. Your Expression number on the other hand, reflects a deeper part of you. It is more difficult to overcome possible negative traits you may have recognized in yourself when they are found in this part of the chart, than when they are found under the Life Path description.

It can't be emphasized too much how important it is to realize that numbers in different areas of the chart affect you differently, even when it is the same number. Sometimes, you may read something that seems to directly contradict earlier statements. Yet, if you take the time to think about them carefully, you will probably recognize that you, as a human being, are extremely complex and full of the same contradictions. This is simply the way we are. You may be organized in one area of your life, while chaos rules in another area. You may be tactful and sensitive in one setting, and direct and confrontational in another situation.

Whereas Jackie is open and easy going in matters of the heart, John is more careful and perhaps distant. In fact, John knows that it is in part this care, this need to maintain a safe distance, which has caused passed relationships to crash. It is not easy for John to be deeply involved in a relationship and trust that it is safe to act un-inhibited, unselfconsciously. On the other hand, it is natural for Jackie to respond to the moment without first having to weigh possible consequences. Jackie can be immediate, responsive and fearless like a child and, just like a child, feel totally safe.

Always seeking the shelter of the inner world, John needs to learn to let go, to surrender to the heart, if this relationship is to endure and grow.

You can give love and friendship left and right, John, there is no shortage of love in you. On the contrary. The number nine is self-sacrificing and generous to a fault. Maybe that is the way you release all the love in you. A problem exists only when this love comes too close to the inner John. As long as there is some distance, you feel safe. The moment someone attempts to step into your inner world, you have a tendency to close the doors.

Jackie, you are very different. You will certainly invite John to share even the deepest moments, without inhibition. But when John backs away from that,

Jackie, you may well respond with confusion, jealousy and resentment.

As you may have realized by now, the two and the nine don't get along too well. Although both are caring, loving numbers, the idealistic nine gives to the world and to strangers, while a much more emotionally involved two focuses on one person as the object of its love.

Interestingly, the two and the nine can form powerful alliances in other circumstances, particularly in business. Between the two of them, they can negotiate and influence just about anyone or anything. It is in matters of the heart that their needs and desires are not very compatible.

All this can be countered, albeit with some effort. John, you would help yourself and Jackie if you could "loosen up" a bit. Relax the constant vigilance and allow yourself to be more responsive to the moment.

Jackie, you should try to understand that John's need for some distance doesn't mean the love is not real, or not as strong as yours. If you are able to keep that in mind, you'll be able to build a peaceful, enjoyable relationship. A relationship, by the way, that can also be very prosperous if you are smart enough to take advantage of the powerful alliances the two and the nine allow for, especially in the business world.

HEART'S DESIRE

Your Heart's Desire is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions. Consequently, it dramatically influences the choices you make in life. The Heart's desire is seen as part of the larger picture, called the core numbers, which includes the Life Path, Expression, Day you were born, and Personality. But each points to a different aspect of you.

The Expression number reveals your talents and abilities, and your general direction in life. The Life Path is the central lesson you came into the world to learn. The Day you were born is very closely connected to your Life Path. It reveals specific talents you possess, which will be helpful to you in dealing with your Life Path. The Personality reveals how people tend to see you. It also demonstrates what characteristics you are projecting to the world. The Heart's Desire demonstrates the identity of the soul that joined the earth -- you, the spiritual being.

John, your Heart's Desire is 17/8

John, you want success in its fullest meaning -- wealth, power, and material comforts. You have an enormous ambition. You dream of big projects, great

undertakings, and rewards.

You are a visionary. You see the horizon and the promise. In general, you also see the methods necessary to fulfill that promise. But you are not especially good with details; you need others to help you deal with the smaller parts of the picture. Your challenge is to make full use of the full spectrum of your abilities, as indicated by your other core numbers. In the same way, you must bring forth the best from others and orchestrate their talents toward the realization of your vision. In short, you must lead by example, demonstrating the standard for commitment, determination, and excellence.

All of this requires effort on your part. You will meet with obstacles and difficulties. Your determination and commitment will be tested. But you have the power to overcome every obstacle you face and accomplish the goal you've set for yourself.

John, your task in life is to learn to use power in refined and elevated ways. The expression and use of power is directly related to one's personal evolution. The more primitive uses of power rest with violence and the threat of deprivation. The higher expressions depend upon your capacity to care for and nourish the people and projects in your charge, giving each exactly what is needed at the appropriate time and in appropriate amounts.

You have a creative mind and an unusual approach to business and problem-solving.

You need to cultivate your ability to evaluate others.

It is essential for you to be involved in a project that challenges you and offers the potential for rewards. When you are uninvolved or unoccupied with a worthwhile task, you can become deeply despondent, depressed, and frustrated. You are the perfect example of the old cliché, "Idle hands are the devil's workshop." Without a challenge, you can lose balance in life and become selfish, cruel, and even self-destructive. Disappointments become shattering, causing terrible consequences in self-image and self-love.

Perspective is everything for you. You have a natural talent for balancing the spiritual and material planes.

John, you need to cultivate courage and stamina. Courage is a choice. You need to decide to be brave in the face of fear. A balanced 8 is among the most powerful and satisfying of numbers. It is the spirit of the true survivor, able to bounce back and achieve a greater victory.

Jackie, your Heart's Desire is 11/2

Jackie, you have wisdom beyond your years. Even as a child, your understanding of life was considerable, though it likely went unrecognized by others.

You are a born peacemaker. You are driven by a desire to settle conflicts and

create harmony. You are a healer and a visionary. You long to make the world a better place, and cannot rest until you have dedicated your life to some worthwhile cause.

Your realm is ideas and philosophy. You are attracted to the world of energy more than to the mechanical or material planes. Philosophy, religion, and less traditional forms of healing are among your specialties.

You are obsessed with the quest for enlightenment.

You are extremely sensitive and possess a high degree of intuition. Subtle messages and feelings of others do not escape your attention. You are powerfully aware of the thoughts and feelings of others. Unless you are well grounded, this can throw you about emotionally. Your awareness can be both a gift as well as a problem, because you so deeply desire to please others and keep harmony in your environment.

Many 11s were born into extremely hostile or turbulent families. This often resulted in psychological pain, lack of confidence, and shyness during childhood. Somehow, the child with an 11 heart's desire recognized the sources of his family's problem. This created an internal conflict for the child, who naturally loved the troubled parent, but could not cope with that parent's behavior.

Therefore, many 11s are scarred early in life. They understand the sufferings of others and seek to be of service in some way.

This is, in fact, the easiest way for you to heal yourself and find your greatest satisfaction.

Jackie, you understand the importance of close, loving relationships. Therefore, you are selective in choosing your friends and spouse. You are a romantic, idealistic, but somewhat impractical person. Unless you have other balancing characteristics (as indicated by 1s, 4s, and 8s in your chart), it is wise to team up with a more practical and realistic partner.

You have a magnetic and charismatic personality. You like pondering abstract matters. Your intelligence is electric. Ideas, solutions to problems, and inventions seem to come to you as if out of the blue.

You are highly charged and intense. This can cause nervous tension. You need to care for your nervous system with ample amounts of rest, a peaceful environment, and proper diet -- avoiding extreme foods and drugs.

You are often more concerned with universal justice than with the individual.

The 11 is a master number, possessing great potential. It has been entrusted to you as a gift that you are worthy of. The key is to maintain a hold on your ideals and seek ways to practically implement them.

Jackie, you have a specific role and gift to give to the world. This requires time and maturity to fully comprehend. But with patience and perseverance, you will discover why you felt different and even unique as a child. At that time, you will discover that what made you feel weak as a child will make you strong and confident as a mature adult.

Your Heart's Desire's compatibility is 8 and 2

Compatibility of the Heart's Desire numbers is very important in a relationship - few relationships last beyond the initial stage if the Heart's Desire numbers are not compatible.

Jackie is drawn to John in part because John has great inner strength and the kind of personal power that reveals the possibility of worldly success. Capable and goal-oriented, John is a force to be reckoned with.

John is attracted to Jackie largely because John recognizes in Jackie an emotional and spiritual wealth that may well have remained, at least to some extent, dormant in the life of John. Jackie lives and experiences life on many levels. Jackie knows the heart and the power of emotions. When brought together, the two and the eight's individual innate qualities can produce quite a balanced relationship.

This is a combination with potential to survive for years and years. However, an important detail you both must be attentive to, is that the relation between a two and an eight is often based on illusions, and when such illusions fall apart, the relationship may crash.

The two sees strength, and thinks it will always be there. The eight sees romance and the subtle powers of the heart, and thinks it will last forever. Neither does, of course. Strength eventually dissipates. The heart slowly loses interest. However, that does not mean this relationship doesn't stand a chance. It certainly does. And the key to make it a pleasant, long lasting relationship is to recognize each other for what you are, beyond the obvious. Jackie must learn to love not only John's strength and capabilities but also John's weaknesses. It is important that Jackie can love John as a whole human being. And John, in turn, must learn to love not only the romantic presence, the passion of the heart John craves in Jackie, but Jackie as a whole human being.

Few combinations tend to give birth to relationships based on illusions as often as do the two and the eight. But Jackie and John, don't forget that this is just one aspect of the chart. You both have many other qualities to be brought to the surface, exercised and explored to your mutual benefit. Just keep that in mind, unite your respective strengths and move on to turn yours into a most pleasant, rewarding and long lasting relationship.

PERSONALITY

Your Personality number is derived from the consonants of your full name at birth. Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at

the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not want to deal with -- people or situations -- but it also welcomes those things that immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be objective about himself or herself. Even our closest friends and relatives have trouble describing how they see us.

John, your Personality is 19/1

John, you radiate with a dynamic and efficient energy. You appear controlled and capable. You value courage and effort in the face of difficulties and these qualities show. Others can sense that you will not be pushed around.

You should dress in a dignified and correct manner, caring for the details of your appearance. While you may spend most of your time in staid business dress or suits, bright and cheerful colors work well for you. You are fashionable, but have your own style.

Your appearance suffers more than most people when you are overweight. Overweight directly contradicts the type of personality you are trying to project. Straight lines and square corners accent your good physique and enhance your appearance as a leader.

John, you are recognized as a pioneer; you have your own ideas of how to do things. You are a risk-taker, original and highly creative.

You should be wary of appearing too aggressive or unreceptive. You can intimidate people if you don't soften your exterior somewhat. By doing this, you will attract less confident people who will be more willing to approach you with their thoughts and suggestions.

Jackie, your Personality is 27/9

Jackie, you have an impressive and aristocratic bearing. No matter how tall you are, you appear noble and upright. You are very much in control of the image you send out to others.

Many actors, dancers, and other performers have a 9 Personality Number. You are elegant, graceful, and charismatic. Many admire you.

You have the kind of stature that pulls people to you or repels them intensely.

Some are jealous of you and may seek to belittle you.

You may encourage this to some extent by the amount of arrogance you radiate. This is a caution for all 9 Personalities -- they are sometimes aloof and hold themselves above the world.

Your challenge is to come down to earth with your fellow man.

Conversely, you have a great compassion for humanity and want to dedicate yourself to improving the lot of others. You are better when dealing with the trials of the many than the trouble of a single person. You are more capable of working on the grand scale, addressing the needs of society, than on a one-to-one basis.

Jackie, you are kind and sympathetic, helpful and compassionate. Behind the controlled and calm facade, you are sensitive, vulnerable and emotional.

You have excellent taste. There is a good deal of artistic talent in you that shows in your home environment and your clothing.

You tend to see yourself as a guardian of society, a benevolent leader, guiding and directing your community toward a better world.

Your Personality's compatibility is 1 and 9

Quickly recognized when two people first meet, not many relationships even get started unless the Personality numbers are compatible.

Due to the fact that both of you have a tendency towards arrogance as well as to being somewhat egocentric, this is a very difficult relationship, as far as romance is concerned. At least in this aspect of the chart. It will only work if a certain amount of distance is maintained. Each of you has to live your own life.

Ironically, although difficult, this is not a bad combination for most other kinds of relationships. Friendships, parent-child as well as business relationships, often work very well with this combination. Precisely because the numbers stand on opposite ends of the spectrum. They complement and balance each other.

Together, they represent a lot of talents and useful qualities that ensure a powerful combination in most relationships, except in romance.

It is in romance that these numbers tend to be challenging.

The solution lies in mutual understanding, not to get in your partner's way, not to expect your partner to always be there for you, and certainly not to expect your partner to live the kind of life you feel is right.

This combination has a much better chance of surviving if John and Jackie have the number two and/or six among their other core numbers.

The numbers one and nine are far apart and this is reflected in John and Jackie's understanding of each other. In many areas of life you are so different that you can't even relate to the other person's view. And, as with every romantic relationship, these shared views are required. We feel secure in the knowledge that our partner confirms what we feel and think. And, if the relationship between

John and Jackie is of the romantic type, there will just not be much of that. Very often, when a one and a nine engage in a romantic relationship, the people on the periphery think it is very funny to see them together. Together but yet so different, so unique. Neither John nor Jackie tends to conform easily to the rules and expectations of society. And that is one of the few characteristics you have in common. However, you probably dress very differently, have very different tastes, and consider different things important. Chances are that you are each other's polar opposite. And, while we say that opposites attract, the trouble is that they also tend to push each other away when they get too close. There are no easy solutions or foolproof guidelines that work here. If you have been together for a while and your love is strong, this love will keep you together. If the relationship is fairly recent, your focus should be on your heart, your pure and unconditional love for your partner. And here is the most important advice to make this relationship last: Don't expect to change or influence your partner.
